HERBERT WILL BE TRIED AGAIN

Jury is Discharged When One of Jurors is Stricken After Deadlock of 6 Hours

ALL NIGHT SESSION AVERTED

Reported to Have Stood 9 For Conviction and 3 For Acquittal—Arson Trial Thursday

Ed Herbert of Gings who was on trial Monday and Tuesday in the circuit court on a charge of violating the liquor laws, will have to be tried over again during the next term of court, as the jury late Tuesday night was discharged by Judge Fremont Miller, when the jurors were unable to reach an agreement.

Special Judge Miller of Franklin discharged the jury about ten o'clock last night, after they had been out about six hours, and were said to be deadlocked with 9 jurors voting for conviction and three for acquittal.

One of the jurors, Lee Macey of Posey township, was stricken with an illness, which caused the court to discharge them, and saved them from an all night session, as planned by the court when he learned that they were unable to agree.

Judge Sparks was on the bench today, and heard several court matters, and the jury has been ordered to report again Thursday to hear the state case against Earl Perkins, charged with arson. This will be the last state case this term of court, which ends Saturday.

The evidence this morning was heard in the case of the American Security Company against William M. Wilhelm, a suit to replevin an automobile, and Judge Sparks took the matter under advisement.

The divorce suit of Myrtle Foster Bever against Richard Bever, has been dismissed by the court as the plaintiff failed to appear to prosecute the complaint.

In the complaint of Elwood Macy against Emily A. Morris, a petition for a guardian, the evidence was heard the other day, and the court has now appointed Howard E. Henley as guardian. The parties reside in Carthage, and the defendant was alleged to be of advanced age.

In the law suit pending of Dean Travis against Mary C. Brown and the Modern Woodmen lodge, a complaint involving a \$2,000 life insurance policy.

SAYS HE DID NOT APPLY FOR PLACE

Eugene B. Butler, Principal of High School, Mentioned For Wayne County Superintendency

WILL ACCEPT IF ELECTED

Eugene B. Butler, principal of the Rushville high school, and W. T. Wagoner, assistant state high school inspector and former superintendent of school in Rush county are among the fourteen applicants mentioned for the position of superintendent of Wayne county schools, succeeding Charles O. Williams, who has resigned to become permanent, full-time secretary of the Indiana State Teachers association. This information is contained in a dispatch from Richmond, which gives the names of the applicants.

The Wayne county position is a very desirable one, as indicated by the large number seeking it. The Wayne county board of education has announced that appointment of Mr. Williams' successor will be postponed until December 3 in order to give time for the receipt of other possible applicants.

Mr. Butler, when questioned today about the position, stated that he did not know that he was a candidate, and that he himself had not placed his application with the board.

He stated further that because of his experience as a teacher and executive, and because of his extensive acquaintance in Wayne county, that probably some of his friends are working for him, and that if they were successful, he would of course take the new position.

TO DELIVER FRIENDSHIP CUP

Rushville Kiwanis Club Will Go To Greenfield Friday Night

The Rushville Kiwanis club, whose regular session today was carried over until Friday night, when the club will go over to Greenfield, and take the Friendship cup, expects to make a good showing at that city, when they make their excursion. Local club members will make the trip in machines, and J. T. Arbuckle, governor-elect, will deliver the presentation speech with the cup.

A month ago the cup was brought to this city by the Connersville club, having also been in Lawrensburg and Brookville, and so far the Rushville club has made the best record of attendance during the four weeks allotted to each club.

UNWILLING TO BUY ANY 'PROTECTION'

Dollings Stockholders Fail to Support "Protective Committee" Plans of J. A. Bushnell

HIS SCHEME IS DENOUNCED

Ohio Attorney-General Warns Against it And Questions Put to Official Are Unanswered

Very few, if any Rush county holders of stock in companies financed by the R. L. Dollings company, now in the hands of the receiver, have joined in the project started by John A. Bushnell of Columbus, Ohio, with the avowed purpose of protecting the interests of the stockholders.

C. C. Crabbe, attorney general of Ohio, has warned against Bushnell's operations, asserting that his best information is that Bushnell's scheme is solely to collect money, and that he will be of no service to Dollings stockholders.

After reading newspaper accounts of the activities of the so-called stockholders protective committee, headed by Bushnell, some Rush county persons who bought stock in Dollings-financed industrial concerns, wrote to the committee headquarters, and when they were informed that they were to be assessed 25 cents a share for the stock they owned, to carry on the work of the committee, they concluded that there must be a "catch" in it and refused to send any money.

The Ohio attorney general wrote a letter to E. M. Haas, formerly representative of the Dollings company in Wayne county, who has been active in protecting the interests of stockholders since the receivership proceedings were started, warning Indiana stockholders to refrain from sending any money to Bushnell.

William H. Blodgett, staff correspondent of the Indianapolis News, went to Columbus to investigate Bushnell's "protective committee."

THREE OFFICIALS OF THE KLAN SURRENDER

Bench Warrants Issued For Their Arrest As Result Of Murder Of W. S. Coburn

IMMEDIATE HEARING DENIED

(By United Press)

Atlanta, Ga., Nov. 7.—Three officials of the Ku Klux Klan surrendered today on bench warrants issued as a result of the murder of W. S. Coburn, a leader of the insurgent faction, by Phil Fox, publicity representative of the Imperial Palace.

The warrants were sworn to by Dr. Fred B. Johnson, who charged that Fox, in threatening his life Sunday night, declared, "You Simmons, E. Y. Clark, and Bill Coburn are slated to go."

Brown Harwood, imperial Klazik; T. J. McKinnon, chief investigator, and K. K. Ramsey, imperial Klazik, appeared in Judge Hancock's court and demanded an immediate hearing.

Dr. Johnson was in Birmingham and hearing on the warrants were set for a later date.

INSIDE INFORMATION

BANK BANDITS MAKE GOOD THEIR ESCAPE

No Trace of Gang of Fifteen or Twenty Men Who Looted Two Spencer, Ind., Institutions

ROBBERY CAREFULLY PLANNED

Spencer, Ind., Nov. 7.—Members of the bandit gang of fifteen or twenty men who raided Spencer Monday night and looted the Exchange National bank and the Spencer National bank of \$13,000 had apparently made good their getaway today.

Twenty-four hours of search by sheriffs and police throughout all of southern Indiana failed to reveal a single trace of the high powered motor cars which sped away in the dim light of early dawn after the robbery.

Several reports from neighboring villages set deputies off on a hot trail. All were found to be without foundation.

The robbery was perhaps the most carefully planned in the history of the state. Spencer was completely isolated from surrounding communities when the robbers cut telephone and telegraph wires.

Sentries armed with sawed off shotguns stood at the four corners of the public square, and sharpshooters trained their guns on the bank fronts from adjoining buildings while two details of safe crackers blew the bank vaults.

The bandits were gone an hour or two before the alarm reached neighboring towns and an organized search was started. It was believed they had had time to reach Indianapolis or get well on the way to some other large city before the search was started.

NOT IN DELAWARE COUNTY

Muncie, Ind., Nov. 7.—Miss Marguerite Dearth, 22, daughter of Judge and Mrs. Clarence W. Dearth of Muncie, who has been mysteriously missing since last Thursday morning, is not in Muncie or Delaware county, it is now believed.

RESIGNS POSITIONS

Errol Stoops, makeup man, and Burton Smith, linotype operator, have resigned their positions with the Daily Republican.

STATE COMMITTEE TO MEET

Indianapolis, Ind., Nov. 7.—The Democratic state committee will meet at 11 o'clock next Friday morning to discuss campaign plans, it was announced today.

MILK ORDINANCE TO BE INTRODUCED

Measure Regulating Buying And Selling of Milk Discussed By City Council

SOME PROVISIONS PROPOSED

Councilmen Award Contract For Material For New Roof on Boiler House of Light Plant

Adoption of a milk ordinance, regulating the buying and selling of milk in the city was again discussed Tuesday night when the city council held their regular session, and an ordinance to that effect will be introduced at the next session, which will compel all persons selling milk, to first obtain a license, with a signed warrant that the cow or cows have been examined and are free from infection.

The ordinance will be so drafted as to inflict a penalty on any person who either buys milk from another herd or who sells milk from his own herd, without first having them tested for any kind of an infection. The councilmen stated that several of the local dairymen buy milk from farmers to supply their trade in Rushville, and the ordinance will be drafted to compel the examination of any cow, whose product is consumed here.

A small license fee will be included in the annual certificate necessary for those who sell milk and this fee will cover the cost of the clerk's fees.

Last night also was set aside as the time for receiving bids on the new roof at the boiler house of the city water and light plant, and two firms offered bids. The bid of the Lathrop-Hoge Construction company of Cincinnati was for \$1,435 and the bid of the Trueman Steel Company, Indianapolis was for \$344. The first bid was rejected, and the last bid, which was the one accepted, was for material only, and will be placed on the roof by local contractors.

The Myer-Kiser bank of Indianapolis reported that their attorneys were looking over the transcript in the Memorial park bond issue of \$24,000 for which they were the successful bidders last week, and as soon as the transcript is reported to be legal, the bonds will be printed and delivered.

The resignation of Carrol Downey as a member of the fire department was accepted, and Louis Dagler was appointed in his place. He has been

PAYNE PROPERTY WILL GO TO HIGHEST BIDDER

Auction of Palatial Home And Furnishings Scheduled For Thursday — Farms are Sold Today

STREET WILL BE ROPED OFF

Final steps toward the settlement of the affairs of Earl H. Payne, who was thrown into bankruptcy, began today with the sale of two farms belonging to Mr. Payne, one of them in Hancock county and the other in this county.

The sale of Mr. Payne's palatial residence, corner of Main and Eighth streets, together with the furnishings, which will be conducted Thursday, is expected to attract a large crowd of people. The trustee, Samuel L. Trabue, and attorneys for the creditors, Titsworth and Titsworth, who are in charge of the sales, have obtained permission to rope off Eighth street to avoid congestion.

The Hancock county farm offered at auction today consists of 42 acres and is located six miles west of Carthage. Thirty shares of stock in the Hancock County Federal Farm Loan association were also to be offered for sale. The auction of the Rush county farm, consisting of 160 acres, was scheduled for two o'clock this afternoon. It is located twelve miles north of Rushville and four miles southeast of Knightstown.

The Payne home will be offered to the highest bidder at 10:30 o'clock in the morning and the sale of household goods will begin at eleven o'clock. A lot in the Stewart and Tompkins addition to Rushville will also be sold at the same time the house is offered. The sale tomorrow will be held under a tent if the weather is bad.

BALLOT BOXES SEIZED

Wilkesbarre, Pa., Nov. 7.—Nineteen ballot boxes were impounded during the night by the sheriff following what he characterized as the "most disorderly election in years."

NAMED RECEIVER

Richmond Ind Nov 7—Charles W. Jordan has been appointed receiver of the Pilot Motor Car company. The receivership was granted by Judge W. A. Bond, in circuit court here on request of four stockholders of the company.

AGAINST ROAD BONDS

Richmond, Va., Nov. 7.—Virginia voted against an issue of bonds for improved highways at the election yesterday by approximately 30,000.

ONLY TWENTY VOTES CAST

Straight Ticket Elected at Glenwood Without Opposition

Only twenty votes were cast in the town election at Glenwood Tuesday, there being no opposition. Three members of the town board and a clerk-treasurer was elected. Twenty straight tickets were cast, each candidate receiving the same number of votes.

The successful candidates were: Van E. Lewark, Charles F. Douthitt and W. T. Jones, members of the town board, and Lewis McCormick, clerk-treasurer. Mr. Jones was re-elected and James Norris and Monroe Brooks will retire, their terms having expired.

No election was held at Carthage, the only other incorporated town in Rush county outside of Rushville.

CONCESSIONS TO BRING AGREEMENT

FRENCH NOTE TO BRITISH

France Reported to be Drafting Program For Sessions to Discuss German Ability to Pay

By A. L. BRADFORD
(U. P. Staff Correspondent)

Washington, Nov. 7.—Sufficient concessions will be made on both sides to permit an agreement between the United States, France and other allies on a basis for the proposed expert conference to examine into Germany's capacity to pay reparations, it was believed in well-informed official and diplomatic quarters here today.

By JOHN DEGANDT
(U. P. Staff Correspondent)

Paris, Nov. 7.—Premier Poincare has sent a note to England saying French experts are drafting a program for the proposed conference to discuss Germany's capacity to pay reparations, it was reported in well-informed circles today.

The French program will be submitted to England for approval before being sent to Washington as an invitation for the United States to participate in the conference, according to the report.

DELINQUENCY TAX PERCENTAGE LOW

Collections on Fall Installment in County Unusually High, Amounting to \$444,650.91

LAST CHECKS COME IN TODAY

The percent of delinquent taxes in Rush county is estimated to be about the smallest on record, following the checking up today at the county treasurer's office on the collection of the fall installment of taxes, which closed Monday.

The large per cent of taxes paid indicates improved business conditions, in the opinion of those who were told of the condition. In the past few years delinquencies have been running higher than the average, due to the depressed condition of farm prices, but the fact that a much higher percentage of taxes were paid on time is regarded as an excellent sign.

Total collections on the fall installment, which included checks received this morning, amounted to \$444,650.91 making Monday's receipts show the sum of \$58,716.18, which is the largest for any day in the history of the county treasurer's office.

If every cent on the tax duplicates had been collected, receipts for the fall installment would have amounted to \$447,510. The difference between this sum and the receipts, \$2,859.09, represents the delinquencies. This does not include some omitted assessments which were placed on the duplicates by the board of review and which totaled approximately \$2,500.

FAILS TO SHOW POLITICAL TREND

Election in Thirteen States Tuesday Does Not Show Any Reversal of Form by Either Party

BOTH MAY FIND SATISFACTION

Klan's Sweeping Victories in Ohio Cities Causes Comment Among Political Leaders

LAWRENCE MARTIN
(U. P. Staff Correspondent)

Washington, Nov. 7.—Election results in "off year" contests in thirteen states showed clearly today that neither the Republican nor the Democratic parties could claim any great reversal of the form shown in the last general election.

There was, however, more encouragement for Democrats in the results than for the Republicans, though both parties could claim with entire justification that no accurate appraisal of the national trend could be based on yesterday's voting.

The democrats, who in the last congressional election wiped out the huge republican majorities registered in 1920, appeared today to be holding the ground cleared in 1922, speaking generally. They made one notable gain when they elected a democratic governor in Kentucky, a state that went republican as to state offices and one United States senator in 1920.

The Ku Klux Klan's sweeping victories in the Ohio city elections was causing much comment among political leaders here today. Taken in connection with other developments, it seemed to point to the entrance of the Klan into state and national politics in 1924 to a degree that will embarrass many candidates.

There was little indication in the scattered contests about the line-up on prohibition. The drys won in New Jersey, apparently, and that may bring former senator, Joe Frelinghuysen to the front as republican leader, thus supplanting Walter Edge who has moist leanings.

The wets won in Maryland as everybody expected they would, because Governor Ritchie, who was re-elected, is a highly popular governor, aside from his views on prohibition.

The margin by which President Coolidge's native state, Vermont, returned republicans to the senate seat, left vacant by Senator Dillingham.

FIRST PAYMENTS ON HOSPITAL FALL DUE

Local Subscribers To Riley Memorial Building Receive Notices From Indianapolis

CARDS ACKNOWLEDGE GIFTS

Subscribers to the Riley Memorial hospital have received notices by mail that the first partial payment on their subscription is now due. Most local subscriptions were made on the four-year basis, one-fourth to be paid each fall, but some in this county were cash.

Enclosed with each notice was a beautifully designed card acknowledging the gift and expressing appreciation for it. A statement from the executive committee, accompanying the notice, says that the construction program is being pushed as rapidly as receipt of funds permit and "your check is needed now." The statement continued:

"As a subscriber to the Riley hospital fund, we report to you that construction work on the first hospital building is proceeding rapidly and it will be opened when the power and heating plant is ready.

The acknowledgement of the gift, which is on a separate card, is entitled "A Good Deed," and is as follows:

"In the name of the suffering children of Indiana, the James Whitcomb Riley Memorial association expresses sincere appreciation of the gift from (the name of the donor) to the building fund of the James Whitcomb Riley Hospital for Children being erected in Indianapolis in memory of the immortal Hoosier poet. A good deed!"

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand.

S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

The committee official also declined to divulge any details about the committee for the information of Indiana investors. He told Mr. Blodgett there were two Indiana members of the committee, but refused to give their names.

TOTAL DEAD IN MINE EXPLOSION PUT AT 27

Mine Pit Virtually Sealed, Tons Of Coal, Slate And Rock Blocking Entrance To It

36 OUT OF 63 ESCAPE UNHURT

Glen Rogers, W. Va., Nov. 7.—Two more bodies were taken from the wreckage of the Wyoming Coal Company's mine, here during the night bringing the total dead in yesterday's explosion to 27.

The pit, supposedly a model of coal mine construction, was virtually sealed, tons of coal, slate and rock blocking the entrance after the explosion.

A check-up, made by mine officials today while this little mining town arranged for burying its dead, showed that 63 men went down the main shaft yesterday morning before the blast. Thirty-six escaped with only slightest injuries.

The men who perished were believed to have been in a separate compartment of the mine near where the pocket of accumulated gas let go.

An eye witness account of the disaster, therefore, probably never will be given.

Most of the men who lost their lives in the blast were married. Two weeks ago Mrs. J. Gurak and 6 children arrived here from Poland to join their husband and father who had left home several months ago to seek employment in America. Yesterday Joe Gurak was killed in the explosion.

NEW PROSECUTOR IS NAMED

C. W. Nichols To Conduct Marion County McCray Investigation

Indianapolis, Ind., Nov. 7.—Judge James A. Collins today appointed Clarence W. Nichols, former assistant United States district attorney, as assistant special prosecutor in the grand jury investigation of Governor McCray's affairs.

The grand jury will resume its probe Monday and push the investigation until all the witnesses have been heard, it was announced.

The investigation has been delayed several times by the illness of Charles W. Moores, special prosecutor. The grand jury at Noblesville, which has also been looking into McCray's affairs will resume its inquiry Friday. It has been adjourned since last Saturday.

CONCESSIONS TO BRING AGREEMENT

Continued From Page One

It was reported today that Premier Poincare's fresh instructions to Ambassador Jusserand in Washington explain that the proposed conference of experts may examine the questions of the Ruhr and Germany's resources, but cannot pass judgment on French action in occupying the additional German territory.

France also will refuse to allow discussion of the contracts recently made between herself and German interests and will not consider discussion of Germany's capacity to pay until a time when she feels it is possible to evaluate this capacity with a fair degree of accuracy.

General Maginot, minister of war, departed today for Dusseldorf, presumably in connection with Poincare's new demand that Germany permit the inter-allied military control commissions to resume their work, including determination of whether or not Germany has more than the 100,000 armed men allowed by the treaty of Versailles.

ham's death and the house vacancy, caused by Porter Dale's senatorial candidacy, was impressive, enough to show that Mr. Coolidge was in no danger there, at the psychological repudiation, which the democrats sought to inflict on him.

Light Vote in Indiana

Indianapolis, Ind., Nov. 7—Today's returns from the municipal elections in a number of towns throughout Indiana showed one of the lightest votes ever cast in the state.

In some towns a non-partisan or "peoples" ticket was put up in place

of the usual contest between the old parties.

At Milford a Republican ticket was unopposed.

There was no upset in party alignment indicated in the victories of the Republicans and Democrats in the various communities.

Almost Clean Sweep by Klan

Columbus, Ohio, Nov. 7—The Ku Klux Klan made virtually a clean sweep in nearly a score of Ohio cities where it was carried to the polls as a dominant issue in yesterday's city elections.

In Youngstown, where the Klan fight was hottest, the "invisible empire" scored a clean-cut victory in the election of Charles F. Scheible who was chosen mayor over the nearest of his five opponents by a plurality of 10,000.

Other cities where the Klan claimed victory are: Newark, Portsmouth, Tiffin, Medina, Elyria, Washington Courthouse, Akron, Marion, East Liverpool, Ashland, Springfield, Magnetic Springs, and Crooksville.

In Steubenville, scene of recent Klan controversies, H. B. Passavant, Klan favorite for mayor, was defeated by Frank H. Hawkins, Republican.

Republican For Senate

Montpelier, Vt., Nov. 7—Former Congressman Porter H. Dale, Republican, was elected to the United States senate in a special senatorial election in Vermont yesterday, defeating Park R. Pollard, Democrat, cousin of President Coolidge.

Returns from 248 cities and towns in the state give Dale 30,630 votes and Pollard 15,631.

In special congressional election to fill the place left vacant when Dale resigned to run for the senate following the death of Senator William P. Dillingham, Col. Ernest W. Gibson, Republican, was elected over Burton E. Bailey, Democrat. Returns gave Gibson 17,613 and Bailey 4,172 votes.

Christmas Seals

The history of the Tuberculosis Christmas Seal movement in America is of interest at this particular time in the year, when "White Plague" opponents in this community are starting to finance the 1924 anti-tuberculosis work through the sale of penny Christmas Seals.

Sixteen years ago Jacob Riis wrote an article in the "Outlook" magazine, telling of Christmas stamps sold in Denmark for the support of the Children's Hospital. Miss Emily P. Bissell, of Wilmington, Delaware, sold seals for the first time in this country and raised \$1,000 to pay on the site of the first tuberculosis sanatorium in Delaware (Hope Farm). From that time on, the growth in popularity of the penny stickers became greater and extended into far corners of the country. From the first it was realized that the organized movement to combat tuberculosis could have wide-spread educational value. From 1908 until 1919 the Christmas Seal Sale was sponsored by the American Red Cross. By that time the fight against the "White Plague" had outgrown the emergency basis on which the American Red Cross most often operates, and for the first time the seal, in 1919, carried the double barred red cross, the specific symbol of the fight against tuberculosis and the official emblem of the National Tuberculosis Association. The latter organization has 1200 state and local agencies in the United States.

As early as 1907, 300,000 of the little Christmas seals were sold.

Got the Real Thing

"For five long years I suffered with stomach trouble and what the doctors called gall stone colic, and all said nothing but an operation would do me any good. A friend who had taken your medicine advised me to try it, and I found it to be the real thing. I feel better than I have in eight years and I am praising God for Mayr's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere.

—Advertisement—

From that small beginning a score of years has seen the sale of Christmas seals leap to a total of 384 million sold in 1922. Approximately 2 million Christmas seals have been sold, and 8 billion have been distributed to various agencies since the first Christmas Seal Sale. This year throughout the United States the National Tuberculosis Association has distributed more than 1 billion seals.

The goal in Indiana is to realize \$200,000 for anti-tuberculosis work throughout the state next year. Several counties of the state probably will be in the select class which gives approximately ten cents per capita to the cause of anti-tuberculosis work annually.

Fires Originating From Fuel

There is no more prolific source of originating fires, than woodsheds, coalbins, woodpiles, or even heaps of loose coal.

Fires are caused by coalbins by lack of proper ventilation which frequently produces explosions from accumulated gases.

Spontaneous combustion is more to be feared from recently mined coal than from that which has been out of the mine for some time.

All this applies to storing soft coal. Alternate wetting and drying of coal that is received wet should be avoided.

A few general suggestions and precautions for preventing fires in storage of wood will suffice. Fuel wood should be neatly piled up without large air spaces between the sticks, which causes fire to spread.

The ground around the woodpiles and in the aisles between should be kept clean of rubbish, shavings and old newspapers. Wherever wood or coal are stored there should be easy access to hydrant service and if piled in the house, hose and nozzle should be convenient.

Cobb Belongs on Honor Roll

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Nov. 7.—As a matter of fairness, in addition to the motive of making it historically accurate, baseball heads should not start with the year 1922 in memorializing the outstanding heroes of baseball.

The American League is about to erect a monument to the national game in the national park at Washington. This monument will display prominently a tablet upon which is to be inscribed the star players of the league.

The first name on the monument will be that of George Sisler, the great first baseman of the St. Louis Browns, who was voted the most valuable player of the American League for the 1922 season.

Below the name of the Brown star will appear that of Babe Ruth, the great Yankee outfielder, who received the highest possible vote as 1923's most valuable player.

There is no reason why the names

of those two great players should not appear on a monument which is designed to hand down to posterity the record and fame of the game's outstanding stars.

Sisler, beyond doubt, is or has been, one of baseball's greatest players; and Ruth if not the greatest of them all, surely has been the most spectacular.

However, there are reasons too obvious to mention and too numerous to recount why the list should not start with the star of 1922.

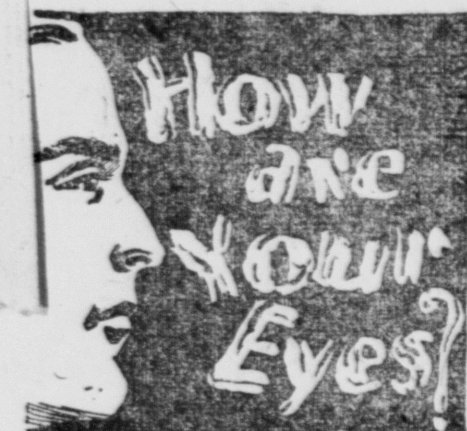

If the United States government should decide to erect a national monument as a memorial to its great war leaders, it most certainly would not start with General Pershing. It would not head the list of foremost statesmen with the outstanding national figure of 1922. It would not pass by the name of Lincoln simply because the appropriation for the monument and the motive which inspired it came after his day.

The American League monument never will live up to the purpose for which it was designed if its tablet does not bear the name of Ty Cobb.

Memory and the record books are not necessary to recall the deeds of the great Cobb whose record over a long stretch of years is the greatest in baseball.

Technically, the American League board of directors might feel that it has not the province to dig into the past and pull out dusty names for embellishment, but it does not have to go down deep in the archives for proof of Cobb's right to a ranking with the greatest of all stars.

It is safe to assert that if the question of Cobb's right to a place on the tablet would be put to a vote of every baseball writer in the country, Cobb's name would get on the tablet without a negative ballot.

Kentucky's Triumph

Neither Zev nor My Own won the \$50,000 race at Latonia. In Memoriam, bred in Old Kentucky, owned by Carl Wiedemann, a Kentuckian, romped home six lengths ahead of his nearest rival, Zev. It was the biggest turf upset in years. Photo shows the finish.

Sideline Glimpses

New York.—West Virginia found the Rutgers line easy to penetrate and continued its unbroken winning streak by defeating the delegation from New Brunswick, 27 to 7. Rutgers battled gamely but could do nothing to halt the Mountaineers parade down the field.

New York.—After many years, New York University has succeeded in taking a football victory from Fordham. In an election day game, New York won, 20 to 0.

Madison.—While Gerbur's eligibility is hanging in the balance, the cardinals are drilling under arc late into the evening to have new formations ready for Illinois. The team leaves for Urbana tomorrow.

Urbana.—Grange, Illinois' star half back, was given a rest but Coach Zuppke sent the rest of the regulars through a hard practice.

Columbus.—The regulars scored four touchdowns in ten plays, while battling against the second team. Coach Wilce made several shifts in the line.

South Bend, Ind.—With the prospect that the majority of his men will be able to play against Nebraska Saturday, Coach Rockne sent two squads of regulars through a stiff workout against two freshman teams.

Chicago.—Taking no possible chance of an up-set by Indiana Saturday, Coach Stagg put the Maroons through intensive drills on the offensive and defense.

Evanston.—Lake Forest plays, used by the freshmen gained little ground against the Northwestern eleven. Wolfe, half back, will be out of the game Saturday on account of a bad ankle.

Bloomington.—The Indiana squad practiced a bunch of new plays Coach Ingram has developed for the Maroons.

Lafayette.—The Buckeyes' aerial attack and other plays were effective against the Purdue regulars in their scrimmages with the Freshmen squad.

Ann Arbor.—The Wolverines drilled intensively, determined to add the United States Marines to their list of victims. Kunow and Babeck were used as tackles, and Muirhead and Vandervoort were given a rest.

Iowa City.—Coach Jones continued developing a passing offensive for the Minnesota game November 17. The regulars' line was badly shattered by the

fierce attack of the seconds. Minneapolis.—New plays for Iowa's benefit will be given the Gopher regulars to try out against the yearlings tomorrow night.

Republicans Triumph
Toledo, Ohio, Nov. 7.—Republicans triumphed in the Toledo election. Bernard F. Brough was re-elected mayor by a plurality of 10,200. A Republican vice-mayor and council was also elected.

Social Notes

The Delphian Society will hold their regular meeting Friday afternoon at 2:30 o'clock at the Elks club. Mrs. Amos will be the leader of the program.

Miss Margaret Trader was hostess Tuesday evening to the members of the Immaculate Sodality of the St. Mary's Catholic church, it being the regular meeting night for the meeting.

Miss Jesse Anderson entertained the members of the Wednesday Afternoon Bridge club this afternoon at her home south of the city. At the close of the card games the hostess served a luncheon.

Mrs. Ed Pitman entertained the members of the Five Hundred club Tuesday evening at her home in North Morgan street. The ladies enjoyed the evening over the card tables. Dainty refreshments were served at the close of the games.

The Music Study Club will be entertained Thursday afternoon at 2:30 o'clock by Miss Jean McClan-

ahan, at her home in North Morgan street. This will be the first open meeting of the year, and each member can invite two guests.

The Ladies Aid Society of the First Baptist church have changed the meeting date from Wednesday until Thursday afternoon. They have also planned an exchange to be held in this city Saturday, the place to be announced later.

Mr. and Mrs. Carlton Chaney entertained at their home west of Greenwood Sunday with a delightful dinner party. The guests were Miss Lona Vanness of Hot Springs, North Carolina, Miss Hazel Case of New Trenton, Charles Chaney of Connersville and Mr. and Mrs. Howard Pike and family of Glenwood.

Mrs. Dora Jackman and Miss Leah O'neal entertained last Friday afternoon at the home of the former in Milroy with a miscellaneous shower honoring Mrs. Wayne Hilker, formerly Miss Jean Thomas of Milroy. Twenty-five guests were present for the affair. Delicious refreshments were served at the close of the evening by the hostesses. The honored guest received several nice presents.

Miss Henrietta Coleman was hostess Tuesday evening to the members of the Shakespeare club at her home in East Sixth street. The subject for discussion at this meeting was Willa Cather's "One of Ours", which was very delightfully reviewed by Miss Lena Buell. The guests were served with dainty refreshments during the social hour, which followed the review.

The Misses Lettie and Laura Jordan entertained the members of the Always Present Class Tuesday evening at their home in North Willow street. A short business meeting was held, during which several important matters pertaining to the class were discussed. An enjoyable social hour followed and the hostesses served their guests with a luncheon as a closing feature of the meeting.

On Thursday evening of this week the Elks Club will give a dance in their hall in East Second street. They will present Art Payne and His Orchestra of Louisville, Ky., who will render the music for the dances. This orchestra is extremely popular and has a wide reputation of furnishing high class dance music. It is expected that they will be a big drawing card and that many out-of-town dancers will attend.

The W. R. C. Penny Social was entertained Tuesday afternoon at the home of Mrs. Carl Dishinger in West Third street. She was ably assisted by Mrs. Charles Pence, Mrs. W. E. Clarkson and Mrs. Selman Webb. A business meeting was held at the beginning of the afternoon and was followed by a short literary program. The guests present were served with refreshments during the informal social hour, which was the closing feature of the meeting.

A pitch-in dinner was enjoyed at the home of Mr. and Mrs. Frank Bean and family near Columbia Sunday. Those who were present were Mr. and Mrs. Grover Johnson

and family, Mr. and Mrs. Orville Johnson and family, Mr. and Mrs. Cliff DeArmond, Mrs. Ada Johnson, Lela Cox, Mr. and Mrs. James Johnson, Mr. and Mrs. Riley Johnson and Mr. and Mrs. Ozro Stevens, of near Orange, Mr. and Mrs. Will Tate and family, Mr. and Mrs. Dennis Leonard and family, Lucian Leonard and Miss Eva Leonard of near Columbia, Mr. and Mrs. Carter Ferrington of Connersville, Mr. and Mrs. Roscoe Bean of Milton, Mr. and Mrs. Harvey Bean of Garrison Creek, Mr. and Mrs. Alden Johnson and Mr. and Mrs. William Stevens of Rushville.

The following item from the Greensburg News gives an account of a pitch-in dinner which was given in honor of Mrs. Fred Krugg of this county, who will leave soon for California to live:

Mr. and Mrs. Wess Christian of Clarksburg entertained his children and grandchildren Sunday at a pitch-in dinner in honor of his daughter, Mrs. Fred Krugg, who is soon to leave for California to live. Those present were Mr. and Mrs. Henry Cornelius and sons, Gerald and Maurice, of Walcott; Mr. and Mrs. Albert Christian and children, Walter, Cortez and Ethel of Greensburg; Mr. and Mrs. Ed Christian and sons, Doyle, William and Alice Reese, of Connersville; Mr. and Mrs. Fred Krugg of near New Salem; Mrs. Noland Clark and sons, Ross and Charles, of Andersonville; Mr. and Mrs. Fred Lampe and daughter, Aileen, of Clarksburg; Mr. and Mrs. Wm. Lawson and daughter, Gaynell, of Clarksburg; Ambrose Tellstrom. Quite a good time was enjoyed by all. The feature of the day was music on the victrola and listening to the radio and a social good time.

assigned for duty as an assistant on the pumper truck.

Another gong will be installed in the bed room at the fire station, because the large gong at the indicator down stairs cannot be heard by firemen, if their trap door leading down the slide pole is closed. Firemen are compelled to leave the door open, and all of the heat comes into their bed room, and if another gong is placed inside of their room, the place can be made more comfortable as a sleeping room.

The state highway department will be notified concerning the manner in which some of the large trucks are operated through the city from the west part where the trucks are loaded with stone. The trucks are said to be overloaded, and rocks are scattered along the streets after each trip, and the highway department will be asked to notify the drivers to be more careful in loading their trucks.

A report from the state department of water and sewage was received, in which an inspector investigated the free tourists park in Memorial park, and approved of the sanitary conditions that exist. A sample of the water was tested, and reported to be a satisfactory water in every detail.

WANT ADS BRING RESULTS

SOAKS RIGHT IN AND LIMBERS UP STIFF JOINTS

Pharmacists Call it "Joint-Ease" Because it's For Swollen, Sore, Painful, Creaky Joints Only

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain racked joints as good as new.

They call this new and wonderful preparation "Joint Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint Ease" is prepared only for people who have a swollen, painful, creaky, distorted, or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuralgia, neuritis, aching muscles, stitch in the side, crick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint Ease". You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrator and when it gets under the skin, it starts right in to clean up all joint trouble.

All druggists dispense it daily for about 60 cents a tube, as do first class druggists everywhere. At all druggists.

The New Hupmobile

Hupmobile Open Models Can Give You Real Closed-Car Comfort

Here, at last, is an open car with storm curtain equipment that can quickly transform it into a snug, trim and thoroughly protected closed car.

This immensely popular and exclusive feature of the new series Hupmobile touring car and roadster is one of the many reasons for the extraordinary success of these models.

By the application of an original principle of design these curtains not only assure the owner the comfort of closed car protection from rain, wind and cold, but they guarantee him at all times a clear vision and a trimness that hitherto it has not been possible to secure.

These curtains do far more than open with the doors. The secret of their comfort

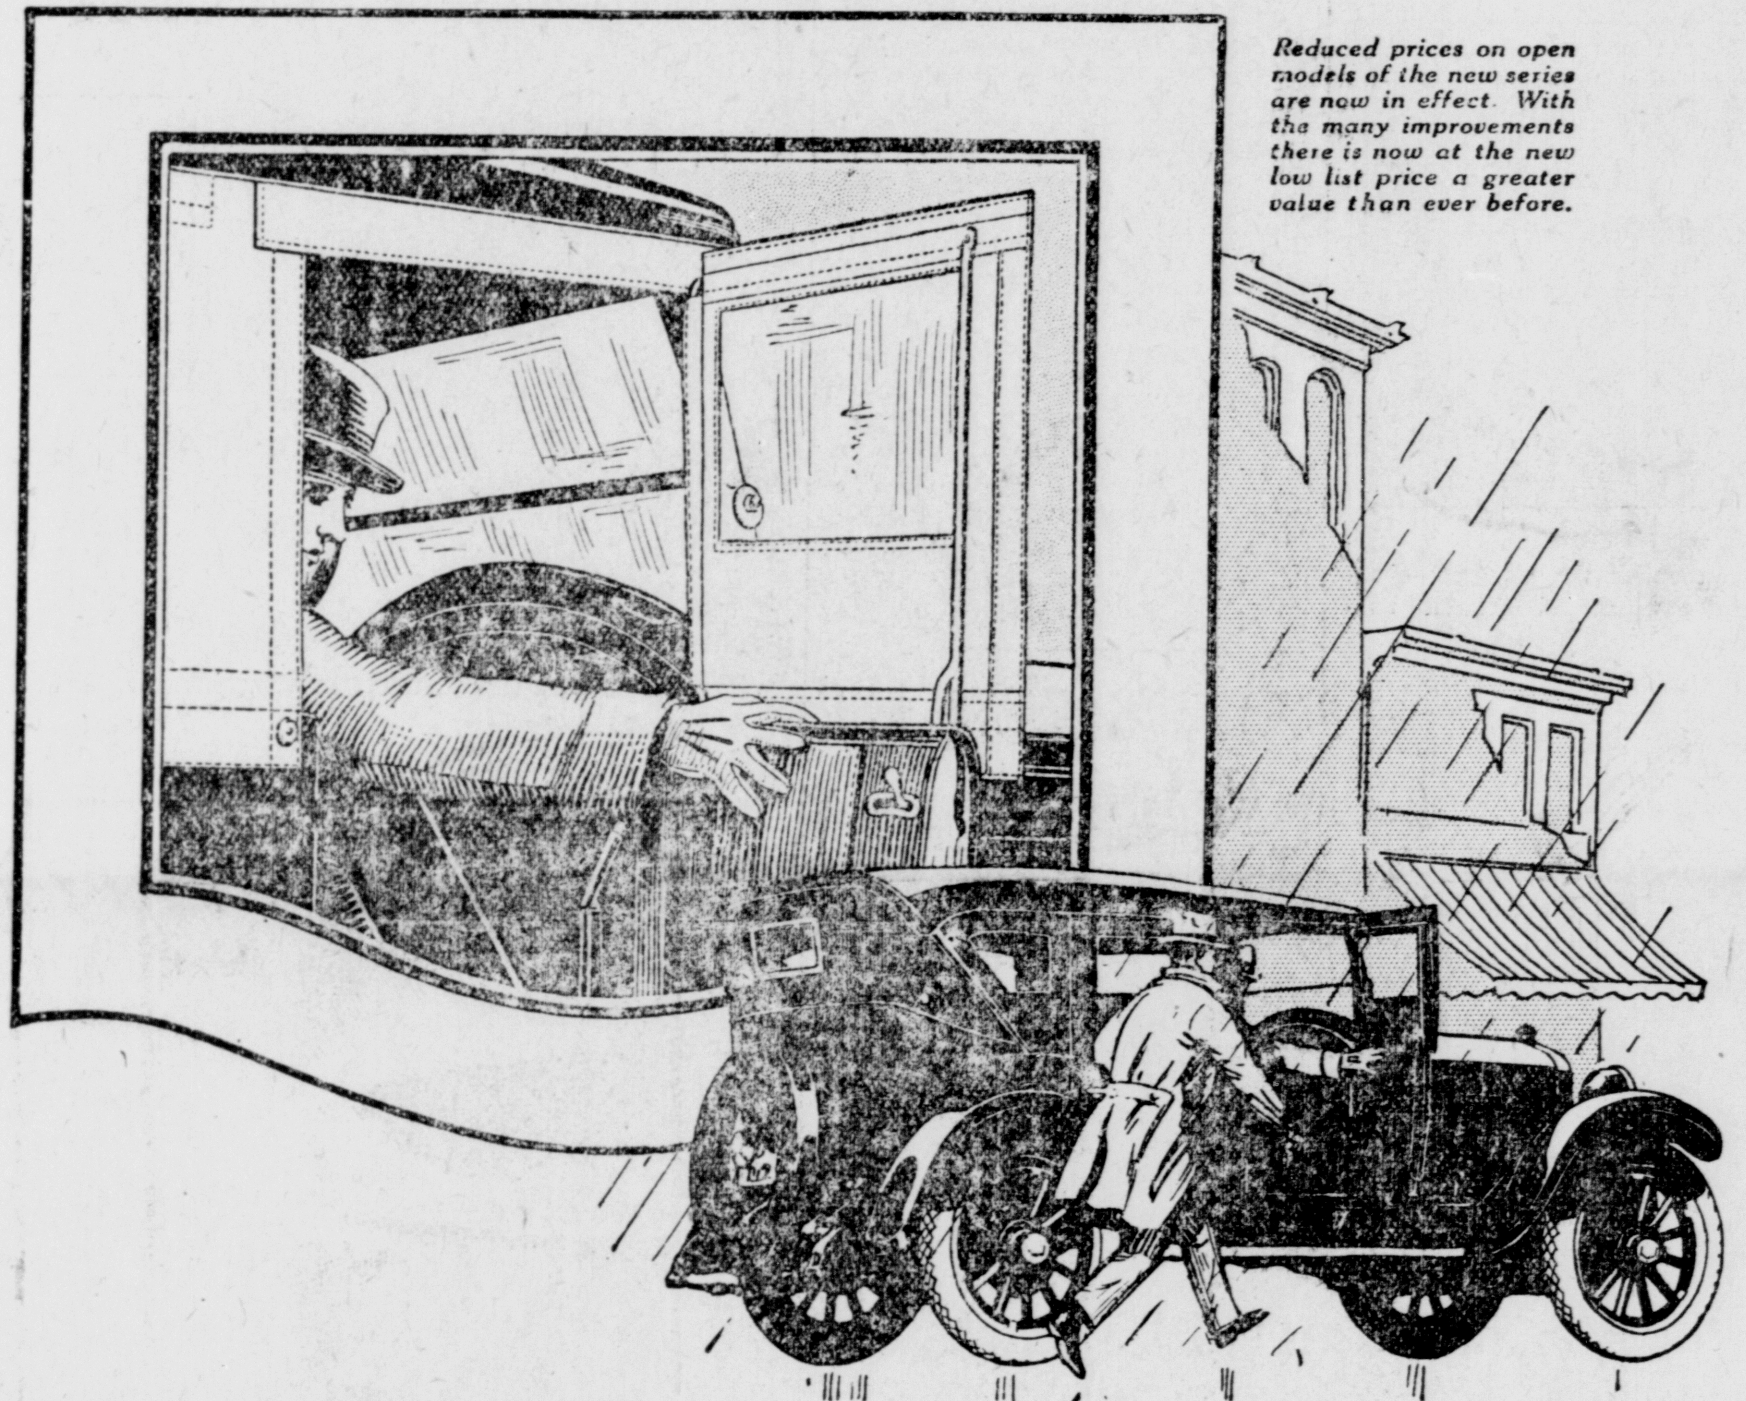

and convenience is the fact that they are metal-framed, stowed flat, never rolled and are handled always in individual flat units.

Thus the curtain lights are never scratched or broken. They are kept flat by the frame—no wrinkling when stored, no sag when in use. Individual units are slipped easily and quickly into and out of their envelope compartment at the back of the front seat.

The curtains can be attached without the necessity of anyone leaving the car and in a fraction of the time ordinarily required for the adjustment of side curtains. Nothing has ever been devised to approach them in their effectiveness, their simplicity and the ease and speed with which they can be installed.

MOVIES

"Queen of the Moulin Rouge."

No one need express surprise at her splendid portrayal of the title role in the Ray C. Smallwood-Pyramid Picture, "Queen of the Moulin Rouge," by Martha Mansfield. The role fits her like a glove because in it she appears as a dancer; and as such she shone in the glittering revues and extravaganzas of Broadway. She was the "Century Girl" in Dillingham and Zeigfeld's production of that name; she was in the "Follies;" she was in A. H. Woods' stage production de luxe, "On With The Dance."

Since her debut on the screen Miss Mansfield has played one role after another. Even when she was lured to the vaudeville stage the camera beckoned and she found its call irresistible. But of all of these roles none was ever as eminently suited to her personality and training as the part of Rosalie Anjou, the self-sacrificing maiden of Normandy who danced in the notorious cafe in the Paris underworld that

the boy she loved might achieve fame. A treat is in store for her followers and for all lovers of the silent drama who admire convincing portrayal when Martha Mansfield is seen in "Queen of the Moulin Rouge," which will be presented today at the Mystic theatre.

Zane Gray Production

Shicks may come and shicks may go—but the motion picture cowboy hero will apparently go on forever. But it will be a different kind of a rough rider who comes back across the silver sheet this season.

In "To the Last Man", a Paramount picture which will be the feature at the Princess theatre today and Thursday, new types of cowboys will be shown. This Zane Gray production is the story of a feud between rival factions in Arizona which was fought out literally to the last man. Many old-time cowboy actors will take part.

To Richard Dix, who plays a leading role in this photodrama and Victor Fleming, director, goes the credit for the introduction of this new type of screen hero. Besides Mr. Dix, the featured players, are Lois Wilson, Noah Berry, Robert Edeson and Frank Campeau.

FIRE HOUSE CROWDED OUT

Gary, Ind., Nov. 6—The ubiquitous gas filling station which has usurped many of Gary's corners has crowded out the old fire house of what was the town of Miller before the steel mills came to the Calumet region with their thousands of workers. The fire house, one of the landmarks of the district, was torn down to make way for another gas station made necessary by the increased auto traffic on the new Gleason road.

HEALTH FOR WORKING WOMEN

Let Lydia E. Pinkham's Vegetable Compound Help You to Become Well.

Thousands of girls have to work in homes, offices, stores, mills or factories who are physically unfit for work, with often an aged or invalid father or mother dependent upon them for support. Standing all day week in and week out, or sitting in cramped positions a girl often contracts some deranged condition of her organic system which calls a halt to her progress and demands restoration to health before she can be of use to herself or anyone else.

For these distressing weaknesses and derangements these girls have found health to do their work in Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N.Y.—"Like many girls, I had troubles every month," says Carolyn Mangels, "and they interfered with my work as I could never be sure of my time. My mother often suggested that I take Lydia E. Pinkham's Vegetable Compound, but I never did until lately. I have had very good results, and am now a private secretary and do my work without missing a day. I recommend your medicine to every girl who speaks of having troubles like I have had."

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Milwaukee, Wis.—"I have taken Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine for three and a half years, and they have improved my health wonderfully. My mother also has taken the Vegetable Compound and we recommend it to our friends. I am working in an office now and can always do my work as I do not have the troubles I had at first. I read of your Vegetable Compound in the newspaper and you may use my letter in that way if you wish to do so."

NUBIAN HOT BLAST.

It is constructed with the famous J. B. HOWARD
Combustion Device that is no doubt the best thing ever
put on a stove to save coal, and as far as we know,
there is only one other stove with the same device.

The Nubian has plain casting and nickle that are easy

Just a nicer looking stove.

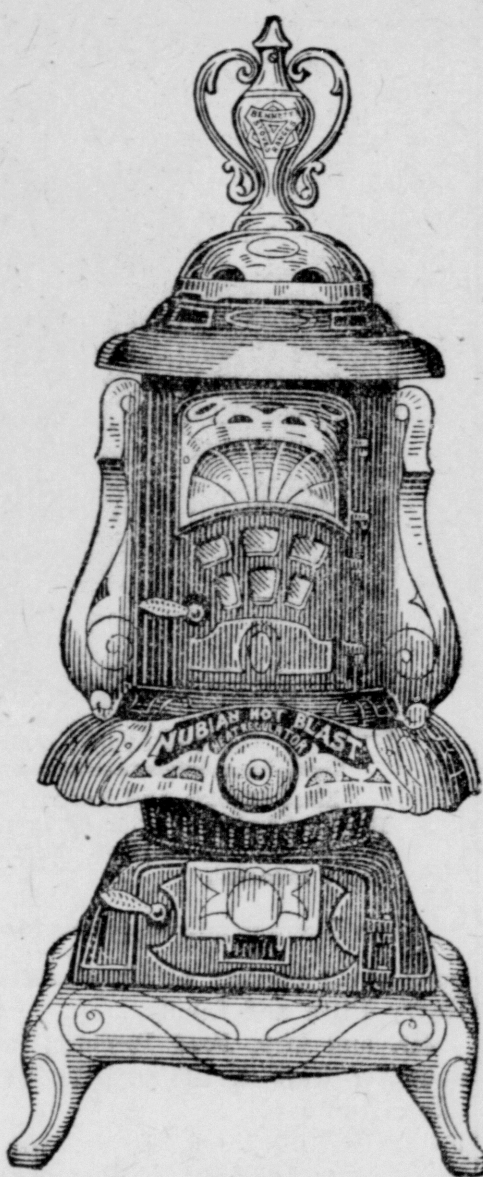

It warms the floor and holds fire to your entire

We want you satisfied.

This Is Majestic Week

we claim for it NUBIAN

We do not want to disappoint you by telling you the
Nubian will heat three or four times more space at
one-fourth the cost than any other stove with the same
fire-pot.

We do not want to tell you that the J. B. Howard Com-
bustion device will save you two ton of coal out of
every three—that would sound ridiculous, wouldn't it?

It will burn as much of the smoke, save as much coal,
be as clean, and last as long as any other stove of the
same construction.

The Nubian has been on the market for seventeen
years and we are told by the manufacturers that their
records show that out of all the many Nubians sold
they have only furnished sixteen new fire bowls to users.

This is MAJESTIC Week. We give

Indiana Lady Says She Was Run-
Down, Suffered With Her Back,
Took Cardui, and
Got Well.

Richmond, Ind.—"I thought I would
write a line or so, to say that I owe my
good health and strength to Cardui," says
a letter from Mrs. Cora Courtney, 31
Railroad Street, this city.

"I was all run-down until my family
thought they would lose me," writes Mrs.
Courtney. "My husband coaxed me to
take Cardui, so, to please him, I did, and
will say I do not regret it, for I am able
to do all my work and do my shopping.

"I have five children, four in school,
my husband and a boarder to do for, and
I do all my own work for all of us, and
find time to play. We all praise Cardui.
Every sick and run-down woman should
take this wonderful medicine.

"I suffered with my back; a very weak
feeling in my limbs.

"I felt hardly able to drag; just
tired—so tired all the time.

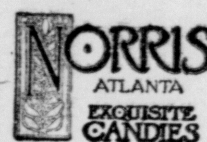

"It was an effort for me to do any-
thing, but Cardui helped me so I felt like
a different woman."

If you are in a run-down physical
condition, suffering as this Indiana lady
says she did, give Cardui a fair trial. It
should help you.

Take Cardui. NC-147

Bloomington, Ind., Nov. 7—Rushville is the home of one Indiana university "I" man, Russell B. Kirkpatrick, covers for 250 of whom will be laid next Friday evening at the University Club, Chicago, on the occasion of the famous "I" men's "fight fest" the night before the Chicago-Indiana football game.

Hoosiers living in Chicago will join with the Indiana university "I" men from all over the Middle West in celebrating the I. U. athletic event which is held annually under the auspices of the "I" Men's Association on the night preceding the state university's biggest western conference football game. Last year the event was held at Indianapolis in connection with the Indiana-Minnesota game.

Mayor Dever, of Chicago, will be a guest of honor while other celebrities in attendance will include Wilbur Nesbit, president of the Indiana Society of Chicago; Commander Jonas Ingram, of the Great Lakes Naval Training Station, brother of Coach "Navy Bill" Ingram, of I. U.; Roy Keehn, one of Chicago's leading attorneys; Dick Miller, the "silver

HERBERT WILL BE TRIED AGAIN

Jury is Discharged When One of Jurors is Stricken After Deadlock of 6 Hours

ALL NIGHT SESSION AVERTED

Reported to Have Stood 9 For Conviction and 3 For Acquittal—Arson Trial Thursday

Ed Herbert of Gings who was on trial Monday and Tuesday in the circuit court on a charge of violating the liquor laws, will have to be tried over again during the next term of court, as the jury late Tuesday night was discharged by Judge Fremont Miller, when the jurors were unable to reach an agreement.

Special Judge Miller of Franklin discharged the jury about ten o'clock last night, after they had been out about six hours, and were said to be deadlocked with 9 jurors voting for conviction and three for acquittal.

One of the jurors, Leg Macey of Posey township, was stricken with an illness, which caused the court to discharge them, and saved them from an all night session, as planned by the court when he learned that they were unable to agree.

Judge Sparks was on the bench today, and heard several court matters, and the jury has been ordered to report again Thursday to hear the state case against Earl Perkins, charged with arson. This will be the last state case this term of court, which ends Saturday.

The evidence this morning was heard in the case of the American Security Company against William M. Wilhelm, a suit to replevin an automobile, and Judge Sparks took the matter under advisement.

The divorce suit of Myrtle Foster Bever against Richard Beyer, has been dismissed by the court as the plaintiff failed to appear to prosecute the complaint.

In the complaint of Elwood Macy against Emily A. Morris, a petition for a guardian, the evidence was heard the other day, and the court has now appointed Howard E. Henley as guardian. The parties reside in Carthage, and the defendant was alleged to be of advanced age.

In the law suit pending of Dean Travis against Mary C. Brown and the Modern Woodman lodge, a complaint involving a \$2,000 life insurance policy.

SAYS HE DID NOT APPLY FOR PLACE

Eugene B. Butler, Principal of High School, Mentioned For Wayne County Superintendency

WILL ACCEPT IF ELECTED

Eugene B. Butler, principal of the Rushville high school, and W. T. Waggoner, assistant state high school inspector and former superintendent of school in Rush county are among the fourteen applicants mentioned, for the position of superintendent of Wayne county schools, succeeding Charles O. Williams, who has resigned to become permanent, full-time secretary of the Indiana State Teachers association. This information is contained in a dispatch from Richmond, which gives the names of the applicants.

The Wayne county position is a very desirable one, as indicated by the large number seeking it. The Wayne county board of education has announced that appointment of Mr. Williams' successor will be postponed until December 3 in order to give time for the receipt of other possible applicants.

Mr. Butler, when questioned today about the position, stated that he did not know that he was a candidate, and that he himself had not placed his application with the board.

He stated further that because of his experience as a teacher and executive, and because of his extensive acquaintance in Wayne county, that probably some of his friends are working for him, and that if they were successful, he would of course take the new position.

TO DELIVER FRIENDSHIP CUP

Rushville Kiwanis Club Will Go To Greenfield Friday Night

The Rushville Kiwanis club, whose regular session today was carried over until Friday night, when the club will go over to Greenfield, and take the Friendship cup, expects to make a good showing at that city, when they make their excursion. Local club members will make the trip in machines, and J. T. Arbuckle, governor-elect, will deliver the presentation speech with the cup.

A month ago the cup was brought to this city by the Connersville club, having also been in Lawrenceburg and Brookville, and so far the Rushville club has made the best record of attendance during the four weeks allotted to each club.

UNWILLING TO BUY ANY 'PROTECTION'

Dollings Stockholders Fail to Support "Protective Committee" Plans of J. A. Bushnell

HIS SCHEME IS DENOUNCED

Ohio Attorney-General Warns Against it And Questions Put to Official Are Unanswered

Very few, if any Rush county holders of stock in companies financed by the R. L. Dollings company, now in the hands of the receiver, have joined in the project started by John A. Bushnell of Columbus, Ohio, with the avowed purpose of protecting the interests of the stockholders.

C. C. Crabbe, attorney general of Ohio, has warned against Bushnell's operations, asserting that his best information is that Bushnell's scheme is solely to collect money, and that he will be of no service to Dollings stockholders.

After reading newspaper accounts of the activities of the so-called stockholders protective committee, headed by Bushnell, some Rush county persons who bought stock in Dollings-financed industrial concerns, wrote to the committee headquarters, and when they were informed that they were to be assessed 25 cents a share for the stock they owned, to carry on the work of the committee, they concluded that there must be a "catch" in it and refused to send any money.

The Ohio attorney general wrote a letter to E. M. Haas, formerly representative of the Dollings company in Wayne county, who has been active in protecting the interests of stockholders since the receivership proceedings were started, warning Indiana stockholders to refrain from sending any money to Bushnell.

William H. Blodgett, staff correspondent of the Indianapolis News, went to Columbus to investigate Bushnell's "protective committee."

THREE OFFICIALS OF THE KLAN SURRENDER

Bench Warrants Issued For Their Arrest As Result of Murder Of W. S. Coburn

IMMEDIATE HEARING DENIED

(By United Press)

Atlanta, Ga., Nov. 7.—Three officials of the Ku Klux Klan surrendered today on bench warrants issued as a result of the murder of W. S. Coburn, a leader of the insurgent faction, by Phil Fox, publicity representative of the Imperial Palace.

The warrants were sworn to by Dr. Fred B. Johnson, who charged that Fox, in threatening his life Sunday night, declared, "You Simmons, E. Y. Clark, and Bill Coburn are slated to go."

Brown Harwood, imperial klazik; T. J. McKinnon, chief investigator, and K. K. Ramsey, imperial klazik, appeared in Judge Hancock's court and demanded an immediate hearing.

Dr. Johnson was in Birmingham and hearing on the warrants were set for a later date.

BANK BANDITS MAKE GOOD THEIR ESCAPE

No Trace of Gang of Fifteen or Twenty Men Who Looted Two Spencer, Ind., Institutions

ROBBERY CAREFULLY PLANNED

Spencer, Ind., Nov. 7.—Members of the bandit gang of fifteen or twenty men who raided Spencer Monday night and looted the Exchange National bank and the Spencer National bank of \$13,000 had apparently made good their getaway today.

Twenty-four hours of search by sheriffs and police throughout all of southern Indiana failed to reveal a single trace of the high powered motor cars which sped away in the dim light of early dawn after the robbery.

Several reports from neighboring villages set deputies off on a hot trail. All were found to be without foundation.

The robbery was perhaps the most carefully planned in the history of the state. Spencer was completely isolated from surrounding communities when the robbers cut telephone and telegraph wires.

Sentries armed with sawed off shotguns stood at the four corners of the public square, and sharpshooters trained their guns on the bank fronts from adjoining buildings while two details of safe crackers blew the bank vaults.

The bandits were gone an hour or two before the alarm reached neighboring towns and an organized search was started. It was believed they had had time to reach Indianapolis or get well on the way to some other large city before the search was started.

MILK ORDINANCE TO BE INTRODUCED

Measure Regulating Buying And Selling of Milk Discussed By City Council

SOME PROVISIONS PROPOSED

Councilmen Award Contract For Material For New Roof on Boiler House of Light Plant

Adoption of a milk ordinance, regulating the buying and selling of milk in the city was again discussed Tuesday night when the city council held their regular session, and an ordinance to that effect will be introduced at the next session, which will compel all persons selling milk, to first obtain a license, with a signed warrant that the cow or cows have been examined and are free from infection.

The ordinance will be so drafted as to inflict a penalty on any person who either buys milk from another herd or who sells milk from his own herd, without first having them tested for any kind of an infection. The councilmen stated that several of the local dairymen buy milk from farmers to supply their trade in Rushville, and the ordinance will be drafted to compel the examination of any cow, whose product is consumed here.

A small license fee will be included in the annual certificate necessary for those who sell milk and this fee will cover the cost of the clerk's fees.

Last night also was set aside as the time for receiving bids on the new roof at the boiler house of the city water and light plant, and two firms offered bids. The bid of the Lathrop-Hoge Construction company of Cincinnati was for \$1,435 and the bid of the Truseon Steel Company, Indianapolis was for \$344. The first bid was rejected, and the last bid, which was the one accepted, was for material only, and will be placed on the roof by local contractors.

The Myer-Kiser bank of Indianapolis reported that their attorneys were looking over the transcript in the Memorial park bond issue of \$24,000 for which they were the successful bidders last week, and as soon as the transcript is reported to be legal, the bonds will be printed and delivered.

The resignation of Carrol Downey as a member of the fire department was accepted, and Louis Dagler was appointed in his place. He has been (Continued on Page 6)

PAYNE PROPERTY WILL GO TO HIGHEST BIDDER

Auction of Palatial Home And Furnishings Scheduled For Thursday—Farms are Sold Today

STREET WILL BE ROPED OFF

Final steps toward the settlement of the affairs of Earl H. Payne, who was thrown into bankruptcy, began today with the sale of two farms belonging to Mr. Payne, one of them in Hancock county and the other in this county.

The sale of Mr. Payne's palatial residence, corner of Main and Eighth streets, together with the furnishings, which will be conducted Thursday, is expected to attract a large crowd of people. The trustee, Samuel L. Trabue, and attorneys for the creditors, Titsworth and Titsworth, who are in charge of the sales, have obtained permission to rope off Eighth street to avoid congestion.

The Hancock county farm offered at auction today consists of 42 acres and is located six miles west of Carthage. Thirty shares of stock in the Hancock County Federal Farm Loan association were also to be offered for sale. The auction of the Rush county farm, consisting of 160 acres, was scheduled for two o'clock this afternoon. It is located twelve miles north of Rushville and four miles southeast of Knightstown.

The Payne home will be offered to the highest bidder at 10:30 o'clock in the morning and the sale of household goods will begin at eleven o'clock. A lot in the Stewart and Tompkins addition to Rushville will also be sold at the same time. The house is offered. The sale tomorrow will be held under a tent if the weather is bad.

ONLY TWENTY VOTES CAST

Straight Ticket Elected at Glenwood Without Opposition

Only twenty votes were cast in the town election at Glenwood Tuesday, there being no opposition. Three members of the town board and a clerk-treasurer were elected. Twenty straight tickets were cast, each candidate receiving the same number of votes.

The successful candidates were: Van E. Lewark, Charles F. Douthitt and W. T. Jones, members of the town board, and Lewis McCormick, clerk-treasurer. Mr. Jones was re-elected and James Norris and Monroe Brooks will retire, their terms having expired.

No election was held at Carthage, the only other incorporated town in Rush county outside of Rushville.

FRENCH NOTE TO BRITISH

France Reported to be Drafting Program For Sessions to Discuss German Ability to Pay

By A. L. BRADFORD

(U. P. Staff Correspondent)
Washington, Nov. 7.—Sufficient concessions will be made on both sides to permit an agreement between the United States, France and other allies on a basis for the proposed expert conference to examine into Germany's capacity to pay reparations, it was believed in well-informed official and diplomatic quarters here today.

By JOHN DEGANDT

(U. P. Staff Correspondent)
Paris, Nov. 7.—Premier Poincare has sent a note to England saying French experts are drafting a program for the proposed conference to discuss Germany's capacity to pay reparations, it was reported in well informed circles today.

The French program will be submitted to England for approval before being sent to Washington as an invitation for the United States to participate in the conference, according to the report.

DELINQUENCY TAX PERCENTAGE LOW

Collections on Fall Installment in County Unusually High, Amounting to \$444,650.91

LAST CHECKS COME IN TODAY

The percent of delinquent taxes in Rush county is estimated to be about the smallest on record, following the checking up today at the county treasurer's office on the collection of the fall installment of taxes, which closed Monday.

The large per cent of taxes paid indicates improved business conditions, in the opinion of those who were told of the condition. In the past few years delinquencies have been running higher than the average, due to the depressed condition of farm prices, but the fact that a much higher percentage of taxes were paid on time is regarded as an excellent sign.

Total collections on the fall installment, which included checks received this morning, amounted to \$444,650.91 making Monday's receipts show the sum of \$58,716.18, which is the largest for any day in the history of the county treasurer's office.

If every cent on the tax duplicates had been collected, receipts for the fall installment would have amounted to \$447,510. The difference between this sum and the receipts, \$2,859.09, represents the delinquencies. This does not include some omitted assessments which were placed on the duplicates by the board of review and which totaled approximately \$2,500.

FAILS TO SHOW POLITICAL TREND

Election in Thirteen States Tuesday Does Not Show Any Reversal of Form by Either Party

BOTH MAY FIND SATISFACTION

Klan's Sweeping Victories in Ohio Cities Cause Comment Among Political Leaders

LAWRENCE MARTIN

(U. P. Staff Correspondent)
(Copyright 1923 by U. P.)
Washington, Nov. 7.—Election results in "off year" contests in thirteen states showed clearly today that neither the Republican nor the Democratic parties could claim any great reversal of the form shown in the last general election.

There was, however, more encouragement for Democrats in the results than for the Republicans, though both parties could claim with entire justification that no accurate appraisal of the national trend could be based on yesterday's voting.

The democrats, who in the last congressional election wiped out the huge republican majorities registered in 1920, appeared today to be holding the ground cleared in 1922, speaking generally. They made one notable gain when they elected a democratic governor in Kentucky, a state that went republican as to state offices and one United States senator in 1920.

The Ku Klux Klan's sweeping victories in the Ohio city elections was causing much comment among political leaders here today. Taken in connection with other developments, it seemed to point to the entrance of the Klan into state and national politics in 1924 to a degree that will embarrass many candidates.

There was little indication in the scattered contests about the line-up on prohibition. The drys won in New Jersey, apparently, and that may bring former senator, Joe Frelinghuysen to the front as republican leader, thus supplanting Walter Edge who has moist leanings.

The wets won in Maryland as everybody expected they would, because Governor Ritchie, who was re-elected, is a highly popular governor, aside from his views on prohibition.

The margin by which President Coolidge's native state, Vermont, returned republicans to the senate seat, left vacant by Senator Dillingham.

FIRST PAYMENTS ON HOSPITAL FALL DUE

Local Subscribers To Riley Memorial Building Receive Notices From Indianapolis

CARDS ACKNOWLEDGE GIFTS

Subscribers to the Riley Memorial hospital have received notices, by mail that the first partial payment on their subscription is now due. Most local subscriptions were made on the four-year basis, one-fourth to be paid each fall, but some in this county were cash.

Enclosed with each notice was a beautifully designed card acknowledging the gift and expressing appreciation for it. A statement from the executive committee, accompanying the notice, says that the construction program is being pushed as rapidly as receipt of funds permit and "your check is needed now." The statement continued:

"As a subscriber to the Riley hospital fund, we report to you that construction work on the first hospital building is proceeding rapidly and it will be opened when the power and heating plant is ready.

The acknowledgement of the gift, which is on a separate card, is entitled "A Good Deed," and is as follows:

"In the name of the suffering children of Indiana, the James Whitcomb Riley Memorial association expresses sincere appreciation of the gift from (the name of the donor) to the building fund of the James Whitcomb Riley Hospital for Children being erected in Indianapolis in memory of the immortal Hoosier poet. A good deed!"

Physical Health means Beauty!

HEALTH and beauty go hand in hand. Where the system is run down—the face drawn and haggard—the body limp and lifeless—beauty is missing. Looks of pity supplant those that might have been gazes of admiration.

Restore your health and beauty will take care of herself. S. S. S.—the rich blood builder—rekindles the spark of health and lights the blaze of beauty by building red blood cells. The nerve power of your system finds life in these very blood cells. Build more red blood cells and your nerve power will increase. S. S. S. builds them. Rich blood will tingle through your system. That lost charm will return. Your entire system will be repaired. You will be ready to cope with the impurities and blemishes that handicap beauty.

As physical health means beauty so, too, does S. S. S. mean beauty. For S. S. S. means systems that are free from impurities—pimples, blackheads, acne, boils, eczema, rheumatism. S. S. S. and good health go hand in hand.

S. S. S. is made of pure vegetable ingredients. It is sold at all good drug stores. The large size bottle is more economical.

The committee official also declined to divulge any details about the committee for the information of Indiana investors. He told Mr. Blodgett there were two Indiana members of the committee, but refused to give their names.

TOTAL DEAD IN MINE EXPLOSION PUT AT 27

Mine Pit Virtually Sealed, Tons Of Coal, Slate And Rock Blocking Entrance To It

36 OUT OF 63 ESCAPE UNHURT

Glen Rogers, W. Va., Nov. 7.—Two more bodies were taken from the wreckage of the Wyoming Coal Company's mine here during the night bringing the total dead in yesterday's explosion to 27.

The pit, supposedly a model of coal mine construction, was virtually sealed, tons of coal, slate and rock blocking the entrance after the explosion.

A check-up, made by mine officials today while this little mining town arranged for burying its dead, showed that 63 men went down the main shaft yesterday morning before the blast. Thirty-six escaped with only slightest injuries.

The men who perished were believed to have been in a separate compartment of the mine near where the pocket of accumulated gas let go.

An eye witness account of the disaster, therefore, probably never will be given.

Most of the men who lost their lives in the blast were married. Two weeks ago Mrs. J. Gurak and 6 children arrived here from Poland to join their husband and father who had left home several months ago to seek employment in America. Yesterday Joe Gurak was killed in the explosion.

NEW PROSECUTOR IS NAMED

C. W. Nichols To Conduct Marion County McCray Investigation

Indianapolis, Ind., Nov. 7.—Judge James A. Collins today appointed Clarence W. Nichols, former assistant United States district attorney, as assistant special prosecutor in the grand jury investigation of Governor McCray's affairs.

The grand jury will resume its probe Monday and push the investigation until all the witnesses have been heard, it was announced.

The investigation has been delayed several times by the illness of Charles W. Moores, special prosecutor. The grand jury at Noblesville, which has also been looking into McCray's affairs will resume its inquiry Friday. It has been adjourned since last Saturday.

CONCESSIONS TO BRING AGREEMENT

Continued From Page One

It was reported today that Premier Poincare's fresh instructions to Ambassador Jusserand in Washington explain that the proposed conference of experts may examine the questions of the Ruhr and Germany's resources, but cannot pass judgment on French action in occupying the additional German territory.

France also will refuse to allow discussion of the contracts recently made between herself and German interests and will not consider discussion of Germany's capacity to pay until a time when she feels it is possible to evaluate this capacity with a fair degree of accuracy.

General Maginot, minister of war, departed today for Dusseldorf, presumably in connection with Poincare's new demand that Germany permit the inter-allied military control commissions to resume their work, including determination of whether or not Germany has more than the 100,000 armed men allowed by the treaty of Versailles.

ham's death and the house vacancy, caused by Porter Dale's senatorial candidacy, was impressive, enough to show that Mr. Coolidge was in no danger there, at the psychological repudiation, which the democrats sought to inflict on him.

Light Vote in Indiana

Indianapolis, Ind., Nov. 7.—Today's returns from the municipal elections in a number of towns throughout Indiana showed one of the lightest votes ever cast in the state.

In some towns a non-partisan or "peoples" ticket was put up in place

of the usual contest between the old parties.

At Milford a Republican ticket was unopposed.

There was no upset in party alignment indicated in the victories of the Republicans and Democrats in the various communities.

Almost Clean Sweep by Klan

Columbus, Ohio, Nov. 7.—The Ku Klux Klan made virtually a clean sweep in nearly a score of Ohio cities where it was carried to the polls as a dominant issue in yesterday's city elections.

In Youngstown, where the Klan fight was hottest, the "invisible empire" scored a clean-cut victory in the election of Charles F. Scheible who was chosen mayor over the nearest of his five opponents by a plurality of 10,000.

Other cities where the Klan claimed victory are: Newark, Portsmouth, Tiffin, Medina, Elyria, Washington Courthouse, Akron, Marion, East Liverpool, Ashland, Springfield, Magnolia Springs, and Crooksville.

In Steubenville, scene of recent Klan controversies, H. B. Passavant, Klan favorite for mayor, was defeated by Frank H. Hawkins, Republican.

Republican For Senate

Montpelier, Vt., Nov. 7.—Former Congressman Porter H. Dale, Republican, was elected to the United States senate in a special senatorial election in Vermont yesterday, defeating Park B. Pollard, Democrat, cousin of President Coolidge.

Returns from 248 cities and towns in the state give Dale 30,630 votes and Pollard 15,631.

In special congressional election to fill the place left vacant when Dale resigned to run for the senate following the death of Senator William P. Dillingham, Col. Ernest W. Gibson, Republican, was elected over Burton E. Bailey, democrat. Returns gave Gibson 17,613 and Bailey 4,172 votes.

Christmas Seals

The history of the Tuberculosis

Christmas Seal movement in America

is of interest at this particular

time in the year, when "White

Plague" opponents in this commu-

nity are starting to finance the 1924

anti-tuberculosis work through the

sale of penny Christmas Seals.

Sixteen years ago Jacob Riis

wrote an article in the "Outlook"

magazine, telling of Christmas

stamps sold in Denmark for the sup-

port of the Children's Hospital. Miss

Emily P. Bissell, of Wilmington,

Delaware, sold seals for the first

time in this country and raised

\$1,000 to pay on the site of the first

tuberculosis sanatorium in Delaware

(Hope Farm). From that time on,

the growth in popularity of the pen-

ny stickers became greater and ex-

tended into far corners of the coun-

try. From the first it was realized

that the organized movement to

combat tuberculosis could have

wide-spread educational value. From

1908 until 1919 the Christmas Seal

Sale was sponsored by the American

Red Cross. By that time the fight

against the "White Plague" had out-

grown the emergency basis on which

the American Red Cross most often

operates, and for the first time the

seal, in 1919, carried the double

barred red cross, the specific symbol

of the fight against tuberculosis and

the official emblem of the National

Tuberculosis Association. The latter

organization has 1200 state and local

agencies in the United States.

As early as 1907, 300,000 of the

little Christmas seals were sold.

Got the Real Thing

For five long years I suffered

with stomach trouble and what the

doctors called gall stone colic, and

all said nothing but an operation

would do me any good. A friend who

had taken your medicine advised me

to try it, and I found it to be the

real thing. I feel better than I have

in eight years and I am praising God

for Mayr's Wonderful Remedy. It

is a simple, harmless preparation

that removes the entangling mucus

From that small beginning a score of years has seen the sale of Christmas seals leap to a total of 384 million sold in 1922. Approximately 2 million Christmas seals have been sold, and 8 billion have been distributed to various agencies since the first Christmas Seal Sale. This year throughout the United States the National Tuberculosis Association has distributed more than 1 billion seals.

The goal in Indiana is to realize \$200,000 for anti-tuberculosis work throughout the state next year. Several counties of the state probably will be in the select class which gives approximately ten cents per capita to the cause of anti-tuberculosis work annually.

Fires Originating From Fuel

There is no more prolific source of originating fires, than woodsheds, coalbins, woodpiles, or even heaps of loose coal.

Fires are caused by coalbins by lack of proper ventilation which frequently produces explosions from accumulated gases.

Spontaneous combustion is more to be feared from recently mined coal than from that which has been out of the mine for some time.

All this applies to storing soft coal. Alternate wetting and drying of coal that is received wet should be avoided.

A few general suggestions and precautions for preventing fires in storage of wood will suffice. Fuel wood should be neatly piled up without large air spaces between the sticks, which causes fire to spread.

The ground around the woodpiles and in the aisles between should be kept clean of rubbish, shavings and old newspapers. Wherever wood or coal are stored there should be easy access to hydrant service and if piled in the house, hose and nozzle should be convenient.

Cobb Belongs on Honor Roll

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Nov. 7—As a matter of fairness, in addition to the motive of making it historically accurate, baseball heads should not start with the year 1922 in memorializing the outstanding heroes of baseball.

The American League is about to erect a monument to the national game in the national park at Washington. This monument will display prominently a tablet upon which is to be inscribed the star players of the league.

The first name on the monument will be that of George Sisler, the great first baseman of the St. Louis Browns, who was voted the most valuable player of the American league for the 1922 season.

Below the name of the Brown star will appear that of Babe Ruth, the great Yankee outfielder, who received the highest possible vote as 1923's most valuable player.

There is no reason why the names

of those two great players should not appear on a monument which is designed to hand down to posterity the record and fame of the game's outstanding stars.

Sisler, beyond doubt, is or has been, one of baseball's greatest players; and Ruth if not the greatest of them all, surely has been the most spectacular.

However, there are reasons too obvious to mention and too numerous to recount why the list should not start with the star of 1922.

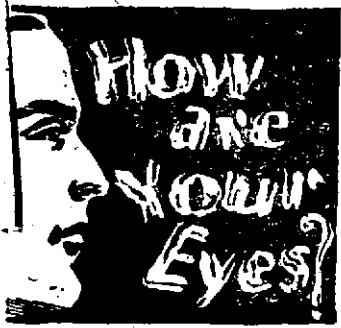

If the United States government should decide to erect a national monument as a memorial to its great war leaders, it most certainly would not start with General Pershing. It would not head the list of foremost statesmen with the outstanding national figure of 1922. It would not pass by the name of Lincoln simply because the appropriation for the monument and the motive which inspired it came after his day.

The American League monument never will live up to the purpose for which it was designed if its tablet does not bear the name of Ty Cobb.

Memory and the record books are not necessary to recall the deeds of the great Cobb whose record over a long stretch of years is the greatest in baseball.

Technically, the American League board of directors might feel that it has not the province to dig into the past and pull out dusty names for embellishment, but it does not have to go down deep in the archives for proof of Cobb's right to a ranking with the greatest of all stars.

It is safe to assert that if the question of Cobb's right to a place on the tablet would be put to a vote of every baseball writer in the country, Cobb's name would get on the tablet without a negative ballot.

KELTS LOSE A HARD GAME

Local Independants. Defeated At Webb Tuesday Night, 18 to 16

The Rushville Kelts basketball team lost a hard fought game Tuesday night at Webb, when the independent team of that community won out, 18-16. The game was close at all stages, and the first half ended 10 to 6 in favor of Webb.

The Webb team consisted of former high school stars and the local team lined-up with Culp and H. Reardon forwards; Poston at center; Rankin and Davis, guards.

The Rushville team will play their next game with Knightstown Saturday night on the new large floor in that city, meeting the independent team of Knightstown.

Sideline Glimpses

New York.—West Virginia found the Rutgers line easy to penetrate and continued its unbroken winning streak by defeating the delegation from New Brunswick, 27 to 7. Rutgers battled gamely but could do nothing to halt the Mountaineers parade down the field.

New York.—After many years, New York University has succeeded in taking a football victory from Fordham. In an election day game, New York won, 20 to 0.

Madison.—While Gerbur's eligibility is hanging in the balance, the cardinals are drilling under are late into the evening to have new formations ready for Illinois. The team leaves for Urbana tomorrow.

Urbana.—Grange, Illinois' star half back, was given a rest but Coach Zuppke sent the rest of the regulars through a hard practice.

Columbus.—The regulars scored four touchdowns in ten plays, while battling against the second team. Coach Wilce made several shifts in the line.

South Bend, Ind.—With the prospect that the majority of his men will be able to play against Nebraska Saturday, Coach Roekne sent two squads of regulars through a stiff workout against two freshman teams.

Chicago.—Taking no possible chance of an up-set by Indiana Saturday, Coach Stutz put the Maroons through intensive drills on the offensive and defense.

Evanston.—Lake Forest plays, used by the freshmen gained little ground against the Northwestern eleven. Wolfe, half back, will be out of the game Saturday on account of a bad ankle.

Bloomington.—The Indiana squad practiced a bunch of new plays Coach Ingram has developed for the Maroons.

Lafayette.—The Buckeyes' aerial attack and other plays were effective against the Purdue regulars in their scrimmages with the Freshmen squad.

Ann Arbor.—The Wolverines drilled intensively, determined to add the United States Marines to their list of victims. Kunow and Babcock were used as tackles, and Muirhead and Vandervoort were given a rest.

Iowa City.—Coach Jones continued developing a passing offensive for the Minnesota game November game November 17. The regulars' line was badly shattered by the

fierce attack of the seconds. Minneapolis.—New plays for Iowa's benefit will be given the Gopher regulars to try out against the yearlings tomorrow night.

Republicans Triumph

Toledo, Ohio, Nov. 7—Republicans triumphed in the Toledo election. Bernard F. Brough was re-elected mayor by a plurality of 10,200. A Republican vice-mayor and council was also elected.

Social Notes

The Delphian Society will hold their regular meeting Friday afternoon at 2:30 o'clock at the Elks club. Mrs. Amos will be the leader of the program.

Miss Margaret Trader was hostess Tuesday evening to the members of the Immaculata Sodality of the St. Mary's Catholic church, it being the regular meeting night for the meeting.

Miss Jesse Anderson entertained the members of the Wednesday Afternoon Bridge club this afternoon at her home south of the city. At the close of the card games the hostess served a luncheon.

Mrs. Ed Pitman entertained the members of the Five Hundred club Tuesday evening at her home in North Morgan street. The ladies enjoyed the evening over the card tables. Dainty refreshments were served at the close of the games.

The Music Study Club will be entertained Thursday afternoon at 2:30 o'clock by Miss Jean McClan-

ahan, at her home in North Morgan street. This will be the first open meeting of the year, and each member can invite two guests.

The Ladies Aid Society of the First Baptist church have changed the meeting date from Wednesday until Thursday afternoon. They have also planned an exchange to be held in this city Saturday, the place to be announced later.

Mr. and Mrs. Carlton Chaney entertained at their home west of Glenwood Sunday with a delightful dinner party. The guests were Miss Lona Vanness of Hot Springs, North Carolina, Miss Hazel Case of New Trenton, Charles Chaney of Connersville and Mr. and Mrs. Howard Pike and family of Glenwood.

Mrs. Dora Jackman and Miss Leah O'neal entertained last Friday afternoon at the home of the former in Milroy with a miscellaneous shower honoring Mrs. Wayne Hilkirk, formerly Miss Jean Thomas of Milroy. Twenty-five guests were present for the affair. Delicious refreshments were served at the close of the evening by the hostesses. The honored guest received several nice presents.

Miss Henrietta Coleman was hostess Tuesday evening to the members of the Shakespeare club at her home in East Sixth street. The subject for discussion at this meeting was Willa Cather's "One of Ours", which was very delightfully reviewed by Miss Lena Baell. The guests were served with dainty refreshments during the social hour, which followed the review.

The Misses Lettie and Laura Jordan entertained the members of the Always Present Class Tuesday evening at their home in North Willow street. A short business meeting was held, during which several important matters pertaining to the class were discussed. An enjoyable social hour followed and the hostesses served their guests with a luncheon as a closing feature of the meeting.

On Thursday evening of this week the Elks Club will give a dance in their hall in East Second street. They will present Art Payne and His Orchestra of Louisville, Ky., who will render the music for the dances. This orchestra is extremely popular and has a wide reputation of furnishing high class dance music. It is expected that they will be a big drawing card and that many out-of-town dancers will attend.

The W. R. C. Penny Social was entertained Tuesday afternoon at the home of Mrs. Carl Dishinger in West Third street. She was ably assisted by Mrs. Charles Pence, Mrs. W. E. Clarkson and Mrs. Selman Webb. A business meeting was held at the beginning of the afternoon and was followed by a short literary program. The guests present were served with refreshments during the informal social hour, which was the closing feature of the meeting.

A pitch-in dinner was enjoyed at the home of Mr. and Mrs. Frank Bean and family near Columbia Sunday. Those who were present were Mr. and Mrs. Grover Johnson

and family, Mr. and Mrs. Orville Johnson and family, Mr. and Mrs. Cliff DeArmond, Mrs. Ada Johnson, Lefe Cox, Mr. and Mrs. James Johnson, Mr. and Mrs. Riley Johnson and Mr. and Mrs. Ozro Stevens, of near Orange, Mr. and Mrs. Will Tate and family, Mr. and Mrs. Dennis Leonard and family, Lucian Leonard and Miss Eva Leonard of near Columbia, Mr. and Mrs. Carter Ferrington of Connersville, Mr. and Mrs. Roscoe Bean of Milton, Mr. and Mrs. Harvey Bean of Garrison Creek, Mr. and Mrs. Alden Johnson and Mr. and Mrs. William Stevens of Rushville.

The following item from the Greensburg News gives an account of a pitch-in dinner which was given in honor of Mrs. Fred Krugg of this county, who will leave soon for California to live:

Mr. and Mrs. Wess Christian of Clarksburg entertained his children and grandchildren Sunday at a pitch-in dinner in honor of his daughter, Mrs. Fred Krugg, who is soon to leave for California to live. Those present were Mr. and Mrs. Henry Cornelius and sons, Gerald and Maurice, of Wakelet; Mr. and Mrs. Albert Christian and children, Walter, Cortez and Ethel of Greensburg; Mr. and Mrs. Ed Christian and sons, Doyle, William and Alice Reese, of Connersville; Mr. and Mrs. Fred Krugg of near New Salem; Mrs. Noland Clark and sons, Ross and Charles, of Andersonville; Mr. and Mrs. Fred Lampe and daughter, Aileen, of Clarksburg; Mr. and Mrs. Wm. Lawson and daughter, Gaynell, of Clarksburg; Ambrose Tellstrom. Quite a good time was enjoyed by all. The feature of the day was music on the victrola and listening to the radio and a social good time.

MILK ORDINANCE TO BE INTRODUCED

assigned for duty as an assistant on the pumper truck.

Another gong will be installed in the bed room at the fire station, because the large gong at the indicator down stairs cannot be heard by firemen, if their trap door leading down the slide pole is closed. Firemen are compelled to leave the door open, and all of the heat comes into their bed room, and if another gong is placed inside of their room, the place can be made more comfortable as a sleeping room.

The state highway department will be notified concerning the manner in which some of the large trucks are operated through the city from the west part where the trucks are loaded with stone. The trucks are said to be overloaded, and rocks are scattered along the streets after each trip, and the highway department will be asked to notify the drivers to be more careful in loading their trucks.

A report from the state department of water and sewage was received, in which an inspector investigated the free tourists park in Memorial park, and approved of the sanitary conditions that exist. A sample of the water was tested, and reported to be a satisfactory water in every detail.

The New Hupmobile

Hupmobile Open Models Can Give You Real Closed-Car Comfort

Here, at last, is an open car with storm curtain equipment that can quickly transform it into a snug, trim and thoroughly protected closed car.

This immensely popular and exclusive feature of the new series Hupmobile touring car and roadster is one of the many reasons for the extraordinary success of these models.

By the application of an original principle of design these curtains not only assure the owner the comfort of closed car protection from rain, wind and cold, but they guarantee him at all times a clear vision and a trimness that hitherto it has not been possible to secure.

These curtains do far more than open with the doors. The secret of their comfort

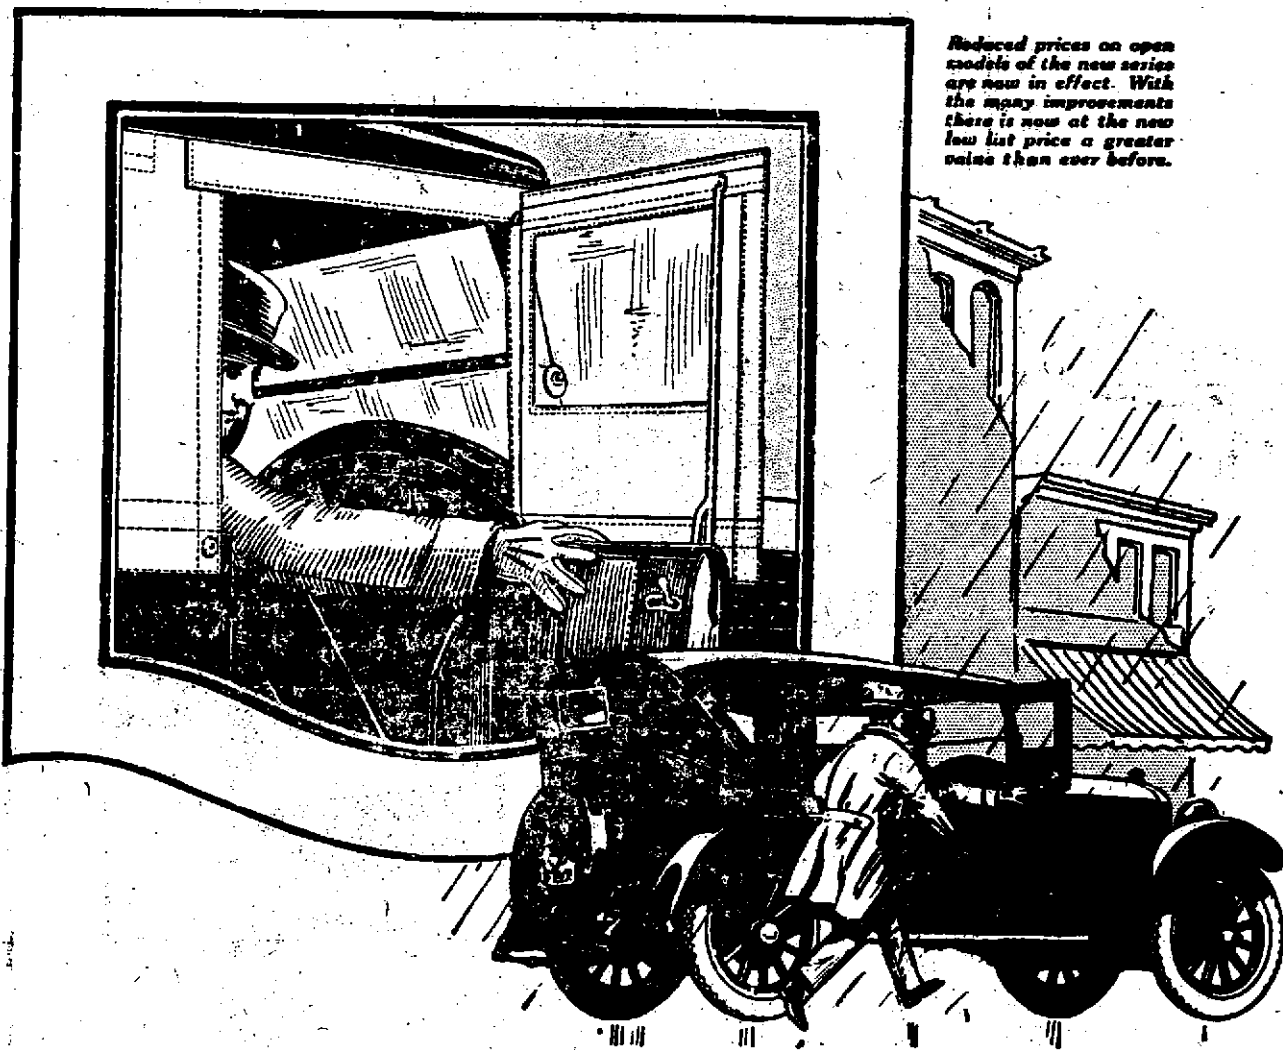

and convenience is the fact that they are metal-framed, stowed flat, never rolled and are handled always in individual flat units.

Thus the curtain lights are never scratched or broken. They are kept flat by the frame—no wrinkling when stored, no sag when in use. Individual units are slipped easily and quickly into and out of their envelope compartment at the back of the front seat.

The curtains can be attached without the necessity of anyone leaving the car and in a fraction of the time ordinarily required for the adjustment of side curtains. Nothing has ever been devised to approach them in their effectiveness, their simplicity and the ease and speed with which they can be installed.

SOAKS RIGHT IN AND LIMBERS UP STIFF JOINTS

Pharmacists Call it "Joint-Ease" Because it's For Swollen, Sore, Painful, Creaky Joints Only

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain racked joints as good as new.

They call this new and wonderful preparation "Joint Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint Ease" is prepared only for people who have a swollen, painful, creaky, distorted, or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuralgia, neuritis, aching muscles, stitch in the side, crick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint Ease". You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrator and when it gets under the skin, it starts right in to clean up all joint trouble.

All druggists dispense it daily for about 60 cents a tube, as do first class druggists everywhere. At all druggists.

MOVIES

"Queen of the Moulin Rouge,"

No one need express surprise at her splendid portrayal of the title role in the Ray C. Smallwood-Pyramid Picture, "Queen of the Moulin Rouge," by Martha Mansfield. The role fits her like a glove because in it she appears as a dancer; and as such she shone in the glittering revues and extravaganzas of Broadway. She was the "Century Girl" in Dillingham and Zeigfeld's production of that name; she was in the "Follies;" she was in A. H. Woods' stage production de luxe, "On With The Dance."

Since her debut on the screen Miss Mansfield has played one role after another. Even when she was lured to the vaudeville stage the camera beckoned and she found its call irresistible. But of all of these roles none was ever as eminently suited to her personality and training as the part of Rosalie Anjou, the self-sacrificing maiden of Normandy who danced in the notorious cafe in the Paris underworld that

the boy she loved might achieve fame. A treat is in store for her followers and for all lovers of the silent drama who admire convincing portrayal when Martha Mansfield is seen in "Queen of the Moulin Rouge," which will be presented today at the Mystic theatre.

Zane Gray Production

Shiaks may come and shiaks may go but the motion picture cowboy hero will apparently go on forever. But it will be a different kind of a rough rider who comes back across the silver sheet this season.

In "To the Last Man", a Paramount picture which will be the feature at the Princess theatre today and Thursday, new types of cowboys will be shown. This Zane Grey production is the story of a feud between rival factions in Arizona which was fought out literally to the last man. Many old-time cowboy actors will take part.

To Richard Dix, who plays a leading role in this photodrama and Victor Fleming, director, goes the credit for the introduction of this new type of screen hero. Besides Mr. Dix, the featured players, are Lois Wilson, Noah Berry, Robert Edeson and Frank Campeau.

HEALTH FOR WORKING WOMEN

Let Lydia E. Pinkham's Vegetable Compound Help You to Become Well.

Thousands of girls have to work in homes, offices, stores, mills or factories who are physically unfit for work, with often an aged or invalid father or mother dependent upon them for support. Standing all day week in and week out, or sitting in cramped positions a girl often contracts some deranged condition of her organic system which calls a halt to her progress and demands restoration to health before she can be of use to herself or anyone else.

For these distressing weaknesses and derangements these girls have found health to do their work in Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N.Y.—"Like many girls, I had troubles every month," says Carolyn Mangels, "and they interfered with my work as I could never be sure of my time. My mother often suggested that I take Lydia E. Pinkham's Vegetable Compound, but I never did until lately. I have had very good results, and am now a private secretary and do my work without missing a day. I recommend your medicine to every girl who speaks of having troubles like I have had."

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write to the Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Mr. Wolfe says: Chiropractic has done so much for me that I feel I should tell others of my experience.

"For a long time I was troubled with Brights Disease and during the course of this illness I contracted Influenza, which left me in such a bad condition that I finally had to quit my work for ten weeks.

"J. M. Starr, a Chiropractor, was called in and I started taking spinal adjustments. I began to improve immediately and returned to my work as blacksmith at the Marion Machine Foundry.

"After taking the complete course of adjustments I am a well man, having regained my former health and strength. I am indeed grateful for what Chiropractic has done for me. Signed: Erna Wolfe, 1602 West First St., Marion, Ind.

The one incomparable gift you possess is health. You cannot afford to be without it. Chiropractic is the inexpensive way of retaining or regaining it.

It will do all NUBIAN

We are going to be honest with you about THE NUBIAN HOT BLAST.

It is constructed with the famous J. B. HOWARD Combustion Device that is no doubt the best thing ever put on a stove to save coal, and as far as we know, there is only one other stove with the same device.

The Nubian has plain casting and nickle that are easy to keep clean.

Just a nicer looking stove.

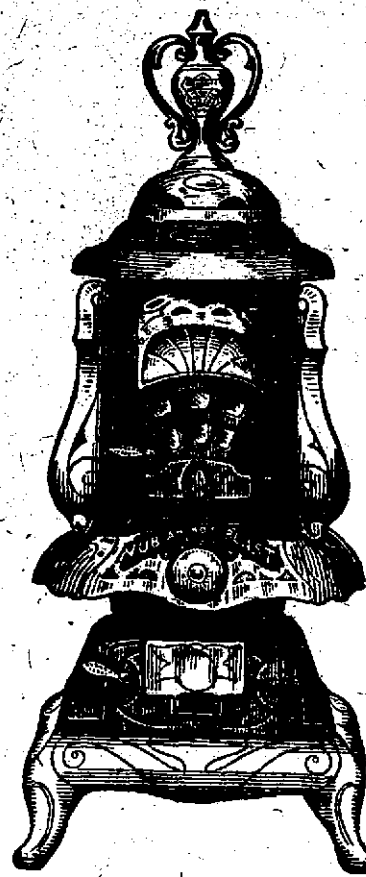

It warms the floor and holds fire to your entire satisfaction.

We want you satisfied.

Come to Our MAJESTIC Range
Demonstration ALL THIS WEEK.

GUNN HAYDON

This Is Majestic Week

we claim for it NUBIAN

We do not want to disappoint you by telling you the Nubian will heat three or four times more space at one-fourth the cost than any other stove with the same fire-pot.

We do not want to tell you that the J. B. Howard Combustion device will save you two ton of coal out of every three—that would sound ridiculous, wouldn't it?

It will burn as much of the smoke, save as much coal, be as clean, and last as long as any other stove of the same construction.

The Nubian has been on the market for seventeen years and we are told by the manufacturers that their records show that out of all the many Nubians sold they have only furnished sixteen new fire bowls to users.

This is MAJESTIC Week. We give a set of ware with each Range bought.

FELT TIRED, SO TIRED

Indiana Lady Says She Was Run-Down, Suffered With Her Back, Took Cardui, and Got Well.

Richmond, Ind.—"I thought I would write a line or so, to say that I owe my good health and strength to Cardui," says a letter from Mrs. Cora Courtney, 31 Railroad Street, this city.

"I was all run-down until my family thought they would lose me," writes Mrs. Courtney. "My husband coaxed me to take Cardui, so, to please him, I did, and will say I do not regret it, for I am able to do all my work and do my shopping."

"I have five children, four in school, my husband and a boarder to do for, and I do all my own work for all of us, and find time to play. We all praise Cardui. Every sick and run-down woman should take this wonderful medicine."

"I suffered with my back; a very weak feeling in my limbs."

"I felt hardly able to drag just tired—so tired all the time."

"It was an effort for me to do anything, but Cardui helped me so I felt like a different woman."

If you are in a run-down physical condition, suffering at this time, why says she did, give Cardui a fair trial. It should help you.

Take Cardui. NC-147

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of Sarah F. Hodge, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 19th day of November, 1923, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 23d day of October, 1923.

LOREN MARTIN,

Clerk Rush Circuit Court.

October 24-31-Nov7

SHERIFF'S SALE

By virtue of a certified copy of a decree No. 3101 to me directed from the Clerk's office of the Rush Circuit Court in a cause wherein the Public Saving Insurance Co. is plaintiff and Earl Bever et al. are defendants. Requiring me to make the sum of Nine Thousand Three Hundred Forty-Five Dollars (\$9345.00) with interest on said decree and costs. I will expose at public sale to the highest bidder there on THURSDAY, the 15th DAY OF NOVEMBER, 1923, between the hours of ten o'clock a. m. and 4 o'clock p. m. of said day at north door of Court House of said Rush County, Indiana, the rents and profits of a term not exceeding seven years of the following described real estate in Rush county, State of Indiana, to-wit:

The north half (1/2) of the southeast quarter (1/4) of Section thirty-two (32), Township thirteen (13) north, Range eleven (11) east, containing eighty-two (82) acres.

If such rents and profits will not sell for a sufficient sum to satisfy said decree, interest and costs, I will expose at public sale the fee simple of said real estate or so much as may be sufficient to discharge said decree, interest and costs. Said sale will be made without any relief whatever from valuation or appraisement laws.

LOCAL MAN TO BE HONORED GUEST

Russell Kirkpatrick is Only Rushville Alumni of I. U. Who Made Record in Athletics

AT BANQUET NEXT FRIDAY

He is One of 250 "I" Men to Take Part in Feast Before Chicago-Indiana Game

Bloomington, Ind., Nov. 7.—Rushville is the home of one Indiana university "I" man, Russell B. Kirkpatrick, covers for 250 of whom will be laid next Friday evening at the University Club, Chicago, on the occasion of the famous "I" men's "fight fest" the night before the Chicago-Indiana football game.

Hoosiers living in Chicago will join with the Indiana university "I" men from all over the Middle West in celebrating the I. U. athletic event which is held annually under the auspices of the "I" Men's Association on the night preceding the state university's biggest western conference football game. Last year the event was held at Indianapolis in connection with the Indiana-Minnesota game.

Mayor Dever, of Chicago, will be a guest of honor while other celebrities in attendance will include Wilbur Nesbitt, president of the Indiana Society of Chicago; Commander Jonas Ingram, of the Great Lakes Naval Training Station, brother of Coach "Navy Bill" Ingram, of I. U.; Roy Keelin, one of Chicago's leading attorneys; Dick Miller, the "silver

CORN CRIBBING

Capacity Approximately 400 Bushels Ear Corn

You can have all the crib room you need and just when you need it with "Pittsburgh Perfect" corn cribbing. The cost is very small, and the desired cribs can be set up without delay.

When the cribs are empty, the fabric may be rolled up and stored out of the way until needed again, or it may be used as fencing for enclosing lawns, poultry runs, gardens, orchards, etc.

"Pittsburgh Perfect" Corn Cribbing is made of all No. 12½ gauge wires, which insures uniform strength and durability. The fabric is electrically welded, making it neat, easily handled, and with a smooth inner surface upon which the corn cannot catch and bear down.

If you are needing crib room, by all means come in and see this remarkably convenient corn cribbing which is priced so that it will save a great deal of money over other kinds of corn cribs.
